Leitrim Integrated Development Company CLG

DIRECTORS' REPORT

for the financial year ended 31 December 2021

The directors present their report and the audited financial statements for the financial year ended 31 December 2021.

Principal Activity and Review of the Business

Leitrim Development Company's main activity is to promote the community, rural, social and enterprise development of Co Leitrim, primarily through the implementation of a range of state supported programmes. These programmes are designed to enhance social inclusion and improve the quality of life, particularly for those most disadvantaged. Among these programmes are the Social Inclusion and Community Activation Programme (SICAP), Rural Development Programme/LEADER, Rural Social Scheme (RSS), Older Persons' Services, Traveller Development Programme, the Tús Initiative, Social Farming and educational and training programmes.

The Company is limited by guarantee not having a share capital.

There has been no significant change in these activities during the financial year ended 31 December 2021.

Principal Risks and Uncertainties

There are a number of risks and uncertainties facing the Company in the coming year. The major funding pillars are the Social Inclusion Community Activation Programme and the RDP/Leader programme, both of which are due to be retendered or commissioned again in 2022. SICAP was extended for another year in 2021 and it seems that a commissioning process will take place in 2022. Given the Company's successful record in implementing the programme for several years, it would appear that it will be successful in securing another five-year contract. The RDP/LEADER programme is currently operated under a Transitional programme, which is due to come to an end on 31st December 2022. It is expected a call for the development of a Local Development Strategy will be made in 2022. It is also expected the Department of Community and Rural Development will continue to fund the programme until a new programme is put in place. However, any new programme may be smaller than the current programme. The Local Area Employment Service, which is due to commence in 2022 carries a risk of not achieving targets and thus a reduced level of funding from the Department of Social Protection.

Financial Results

The surplus for the financial year after providing for depreciation amounted to €207,293 (2020 - €306,002).

At the end of the financial year, the company has assets of €2,333,349 (2020 - €2,064,441) and liabilities of €1,407,159 (2020 - €1,345,544). The net assets of the company have increased by €207,293.

Directors and Secretary

The directors who served throughout the financial year, except as noted, were as follows:

Michele Gannon
Mary Brodie (Resigned 25 May 2021)
Mary Taylor
Kevin Comiskey
Peadar Flynn (Resigned 15 December 2021)
Teresa O'Callaghan
Damien Hamill (Resigned 4 August 2021)
Shane Kilrane
Damian Brennan
Mary Mc Kiernan
Philip Rooney
Joséphine White (Resigned 8 January 2021)
Joe O'Donnell (Resigned 31 May 2021)
Seamus O'Donnell
Martin Dolan
Patricia Clarkson (Appointed 27 July 2021)

The secretary who served throughout the financial year was Paddy Beirne.

There were no changes in members between 31 December 2021 and the date of signing the financial statements.

In accordance with the Constitution, the directors retire by rotation and, being eligible, offer themselves for re-election.

Future Developments

The Company will continue to implement its existing programmes and to seek additional activities that will enhance its range of services and improve the financial position of the Company.

Leitrim Integrated Development Company CLG

DIRECTORS' REPORT

for the financial year ended 31 December 2021

Post Balance Sheet Events

One of the main post balance sheet events was the war in Ukraine, caused by Russian invasion. This resulted in thousands of refugees coming to Ireland, with 600 coming to Leitrim. The Company has been heavily involved in the response to this crisis, particularly through the SICAP team. The Company has received significant funding to deal with this crisis. The war has also caused a steep rise in inflation, resulting in ever increasing running costs for the company.

Whilst the events have occurred since the company's financial period are considered by the directors to be non-adjusting post balance sheet events, accordingly, the financial position and results of operations as of and for the period ended 31st December 2021 have not been adjusted to reflect their impact. It is currently not possible to reliably estimate the duration and economic severity of either the refugee crisis or the rising inflation.

Auditors

The auditors, Moran McNamara, (Certified Public Accountants) have indicated their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

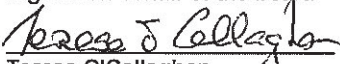

Statement on Relevant Audit Information

In accordance with section 330 of the Companies Act 2014, so far as each of the persons who are directors at the time this report is approved are aware, there is no relevant audit information of which the statutory auditors are unaware. The directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and they have established that the statutory auditors are aware of that information.

Accounting Records

To ensure that adequate accounting records are kept in accordance with sections 281 to 285 of the Companies Act 2014, the directors have employed appropriately qualified accounting personnel and have maintained appropriate computerised accounting systems. The accounting records are located at the company's office at Church Street, Drumshanbo, Co Leitrim.

Leitrim Integrated Development Company CLG DIRECTORS' RESPONSIBILITIES STATEMENT

for the financial year ended 31 December 2021

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

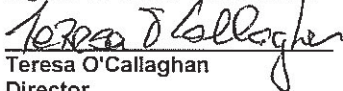

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

to the Members of Leitrim Integrated Development Company CLG

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Leitrim Integrated Development Company CLG ('the company') for the financial year ended 31 December 2021 which comprise the Income and Expenditure Account, the Balance Sheet, the Reconciliation of Members' Funds and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council, applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2021 and of its surplus for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the Provisions Available for Audits of Small Entities, in the circumstances set out in note 5 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

INDEPENDENT AUDITOR'S REPORT

to the Members of Leitrim Integrated Development Company CLG

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 6, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf. The description forms part of our Auditor's Report.

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Leitrim Integrated Development Company CLG

NOTES TO THE FINANCIAL STATEMENTS

for the financial year ended 31 December 2021

1. General Information

Leitrim Integrated Development Company CLG is a company limited by guarantee incorporated and registered in the Republic of Ireland. The registered number of the company is 451100. The registered office of the company is Church Street, Drumshanbo, Co Leitrim. The nature of the company's operations and its principal activities are set out in the Directors' Report. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. Summary of Significant Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Statement of compliance

The financial statements of the company for the financial year ended 31 December 2021 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2014.

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280A of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014 and Section 1A of FRS 102.

Income

Income represents amounts receivable for the year from various government funding agencies in addition to donations, contributions and the amortisation of government grants.

Intangible assets

Intangible assets

Intangible assets are valued at cost less accumulated amortisation.

Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful life of 5 years.

Tangible assets and depreciation

Tangible assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible assets, less their estimated residual value, over their expected useful lives as follows:

Land and buildings freehold	-	2% Straight line
Fixtures, fittings and equipment	-	12.5% Straight line
Motor vehicles	-	12.5% Straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Trade and other debtors

Trade and other debtors are stated at cost less impairment losses for bad and doubtful debts.

Trade and other creditors

Trade and other creditors are stated at cost.

Employee benefits

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. Not all employees pay into it.

Leitrim Integrated Development Company CLG
NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

Taxation

The company is a registered charity and has tax exemption status. It's charity registration number is 20070700 and its CHY number is 18447.

Government grants

Capital grants received and receivable are treated as deferred income and amortised to the Income and Expenditure Account annually over the useful economic life of the asset to which it relates. Revenue grants are credited to the Income and Expenditure Account when received.

3. Significant accounting judgements and key sources of estimation uncertainty

Judgements

The directors consider the accounting assumptions below to be its significant accounting judgements:

Going concern:

The directors consider it appropriate to prepare the financial statements on a going concern basis and set out details of this information in note 4 to these financial statements.

Depreciation of fixed assets and amortisation of intangible assets and government grants are the key source of estimation used.

4. Going concern

The Company is reliant on continuing to implement programmes for the Department of Community and Rural Development, the Department of Social Protection, the Department of Agriculture, the Health Service Executive, TúsIa, Leitrim County Council, the Local Community Development Committee and Mayo/Sligo/Leitrim Education and Training Board and other smaller funders. The majority of these programmes are funded on an annual basis and are subject to conditions being adhered to and outcomes achieved. In 2021 some additional programmes were secured, such as the hosting of the Public Participation Network and Disability funding for the employment of People with Disabilities through the Dormant Accounts. While commissioning or tendering will likely take place in 2022 for the implementation of both SICAP and the LEADER programme, there is an expectation that we will be successful in these.

The Covid-19 pandemic continued to have an impact on how the company ran its affairs in 2021, albeit to a lesser extent than in 2020. Limited opening offices operated and many staff continuing to work remotely. However, the Company continued to provide its services to individuals and communities throughout Leitrim. Therefore, these financial statements have been prepared on the going concern basis. This assumes that the company will continue in existence for the foreseeable future having adequate resources to meet its obligations when they fall due. In assessing whether the going concern assumption is appropriate, the directors have considered the period up to twelve months from the date of approval of these financial statements.

Should the company be unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet value of the assets to their recoverable amounts to provide for future liabilities that might arise and to reclassify fixed assets and long-term liabilities as current assets and liabilities.

5. Provisions Available for Audits of Small Entities

In common with many other businesses of our size and nature, we use our auditors to prepare and submit tax returns to the Revenue and to assist with the preparation of the financial statements.

6. Operating surplus

	2021	2020
	€	€
Operating surplus is stated after charging/(crediting):

14. Status

The liability of the members is limited.

Every member of the company undertakes to contribute to the assets of the company in the event of its being wound up while they are members, or within one financial year thereafter, for the payment of the debts and liabilities of the company contracted before they ceased to be members, and of the costs, charges and expenses of winding up, and for the adjustment of the rights of the contributors among themselves, such amount as may be required, not exceeding € 1.

Leitrim Integrated Development Company CLG
NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2021

15. Capital commitments

The company had no material capital commitments at the financial year-ended 31 December 2021.

16. Contingent liabilities

The financial statements of the company disclose amounts in respect of capital grants it received and amounts amortised in respect of same. If the company fails to comply with conditions as set out in the respective agreements, grant aid may become repayable to the grantors by the company. The directors are satisfied that no such breaches which would necessitate a clawback have occurred.

17. Related party transactions

Rent and room hire was paid by Leitrim Integrated Development Company CLG to Leitrim Education and Training CLG for the use of office space and various training courses and administration fees during the year ended 31st December 2021 at a total value of €15,309 (2020 - €20,367). These expenses were incurred under the normal course of activities of the company and there were no balances due to or from Leitrim Education and Training CLG at the year end. These companies are related by virtue of common directorship.

18. Post-Balance Sheet Events

One of the main post balance sheet events was the war in Ukraine, caused by Russian invasion. This resulted in thousands of refugees coming to Ireland, with 600 coming to Leitrim. The Company has been heavily involved in the response to this crisis, particularly through the SICAP team. The Company has received significant funding to deal with this crisis. The war has also caused a steep rise in inflation, resulting in ever increasing running costs for the company.

Whilst the events have occurred since the company's financial period are considered by the directors to be a non-adjusting post balance sheet event. Accordingly, the financial position and results of operations as of and for the period ended 31st December 2021 have not been adjusted to reflect their impact. It is currently not possible to reliably estimate the duration and economic severity of either the refugee crisis or the rising inflation.

19. CIRCULAR 13/2014 DISCLOSURES

The company is compliant with all relevant circulars (including circular 44/2006) in relation to tax clearance procedures. We undertake that the state's investment is protected and will not be used as security for any other activity without prior consultation and sanction of the parent Department. Grant reporting in line with circular 13/2014 requirements is set out on pages 16 (continued) overleaf.

20. ACCUMULATED FUNDS

Accumulated funds consist of reserves relating to all of the programmes administered by the company. The reserves of each individual programme are restricted to use within the specific programme and cannot be used for any other purpose. At the year end, the company had unrestricted reserves of €22,067 (2020 €55,646)
